

ABOUT NISHI GROUP

倪氏集团简介

厦门倪氏集团有限公司创建于2012年初，经过十年地快速发展，现已成为一家集石材生产加工及进出口贸易为一体的综合性大型工贸一体化石材产业集团。

成立之初，鑫振轩石业作为集团开篇，稳定发展为国内外优秀的石材产品进出口商之一；致力于为国外客户提供高品质产品，立足于中东、欧美及非洲等国际市场。

作为一家颇具规模的石材进出口贸易企业，在企业创立之初便敏锐地察觉到：国内市场上石材产品质量不够稳定，服务不够好，无法满足广大国外客户日益高涨的个性化需求。因此，2017年，其毅然在湖北麻城投资兴建了大规模化的石材加工厂——占地面积3.8万平方米的麻城飞英石业。由此拉开了集团掌控石材生产加工全流程，严控品质，满足客户对产品质量和加工工艺多样性需求的序幕。

由于集团对产品质量始终如一地坚持，不愿因产能提升而降低产品质量，于是2019年集团旗下第二家石材加工厂——占地面积4万平方米的麻城鑫飞英石业应运而生，为集团进一步引进业内最先进的自动化生产加工设备夯实了基础。

集团于2022年兴建了第三家石材加工厂——闽夏石业，满足了客户的对异形石材的需求。先进的加工设备，严格的质量管理，多条高品质生产线，极大地扩展了产能。

凭着不断创新和对品质的追求，集团随后兴建第四家高端石材加工厂——祥英石业，高端的品质，多样的产品，为集团发展插上另一个腾飞的翅膀，形成集团业务双翼齐飞的发展新格局。

近十年来，集团紧紧抓住机遇，快速发展，稳步推进，不断追求产品品质和服务双提升。产品常年畅销海内外，形成了较为稳定的客户群体。不仅海外业务呈现几何式增长，而且在国内也不断涉及地铁站、高铁站和机场建设等高端业务，并承接了许多高端建筑的外墙干挂工程。在立足现有国内外客户的基础上，强有力的融入世界石材市场，不断开拓中东、欧美、非洲等国际市场，年营业额超3亿元人民币。

先进的设备、精湛的技术、合理的定价、高端的品质和热情的服务，赢得了广大客户的信赖与支持，确保了集团地快速发展。

集团将继续践行“立足国内，放眼全球”的发展战略，本着“客户与信誉优先”的原则，竭诚为客户提供最完善、最专业的服务，全力推进企业朝石材产业纵深化方向稳健、快速发展，逐步开创更加波澜壮阔的未来！

倪氏集团愿与您携手，共创石材产业双赢之道！

Xiamen Nishi Group Co., Ltd. was founded in 2012. After nearly ten years of rapid development, it has become a collection of stone production and processing, import and export trade and modern logistics as one of the comprehensive large-scale industrial and trade integration of stone industry group.

At the beginning of the establishment, XINZHENXUAN STONE Cooperation is as the group begins, which is developed stably at home and abroad and becomes one of the excellent stone products importers and exporters. We are committed to providing high quality products for our foreign customers. The mainly markets including the Middle East, Europe, America and Africa and other international markets.

As a stone import and export company with a certain scale, at the beginning of the establishment of the enterprise, the founder Mr. Ni Zhaofei was keenly aware that the quality of stone products in the domestic market was not stable enough, the service was not good enough, and could not meet the increasing personalized needs of the vast number of foreign customers. Therefore, in 2017, he resolutely invested in the construction of the first stone processing plant in Macheng City, Hubei Province -- Macheng Fei Ying Stone Industry, which covers an area of 38,000 square meters. Thus, the Group opened the prelude of controlling the whole process of stone production and processing, strictly controlling the quality, and meeting customers' diversified demands for product quality and processing technology.

We group insists as the quality is the first important thing, and we are not willing to reduce product quality due to increased capacity. So that in 2019, we built the second stone processing factory of the group banner which is the Macheng XINFEIYING STONE with area of 40,000 square meters. This factory lays a solid foundation for the Group to further introduce the most advanced automatic production and processing equipment in the industry.

Our group builds the third factory called MINXIA Stone in 2022. This factory can meet the needs of customers for special-shaped stone.

Advanced processing equipment, strict quality management, a number of high quality production lines, which can greatly expanded the capacity.

With continuous innovation and the pursuit of quality, our group then built the fourth high-end stone processing factory - Xiangying stone industry, high-end quality, diverse products, for the development of the group to plant another soaring wings, forming a new development pattern of the group business wings flying together.

In the past ten years, the Group has firmly seized the opportunity, developed rapidly and steadily, and continuously pursued the double improvement of product quality and service. Overseas business not only shows geometric growth, but also continues to involve high-end business such as subway stations, high-speed railway stations and airport construction in China, and undertakes many dry hanging projects on the outer walls of high-end buildings. Products sell well at home and abroad all the year round, formed a relatively stable customer group. Based on the existing customers at home and abroad, we actively participate in various international stone exhibitions, and constantly develop the Middle East, Europe, America, Africa and other international markets, with an annual turnover of up to RMB 300 million.

Advanced equipment, exquisite technology, reasonable pricing, high-end quality and passionate service, won the trust and support of the majority of customers, to ensure the rapid development of the Group.

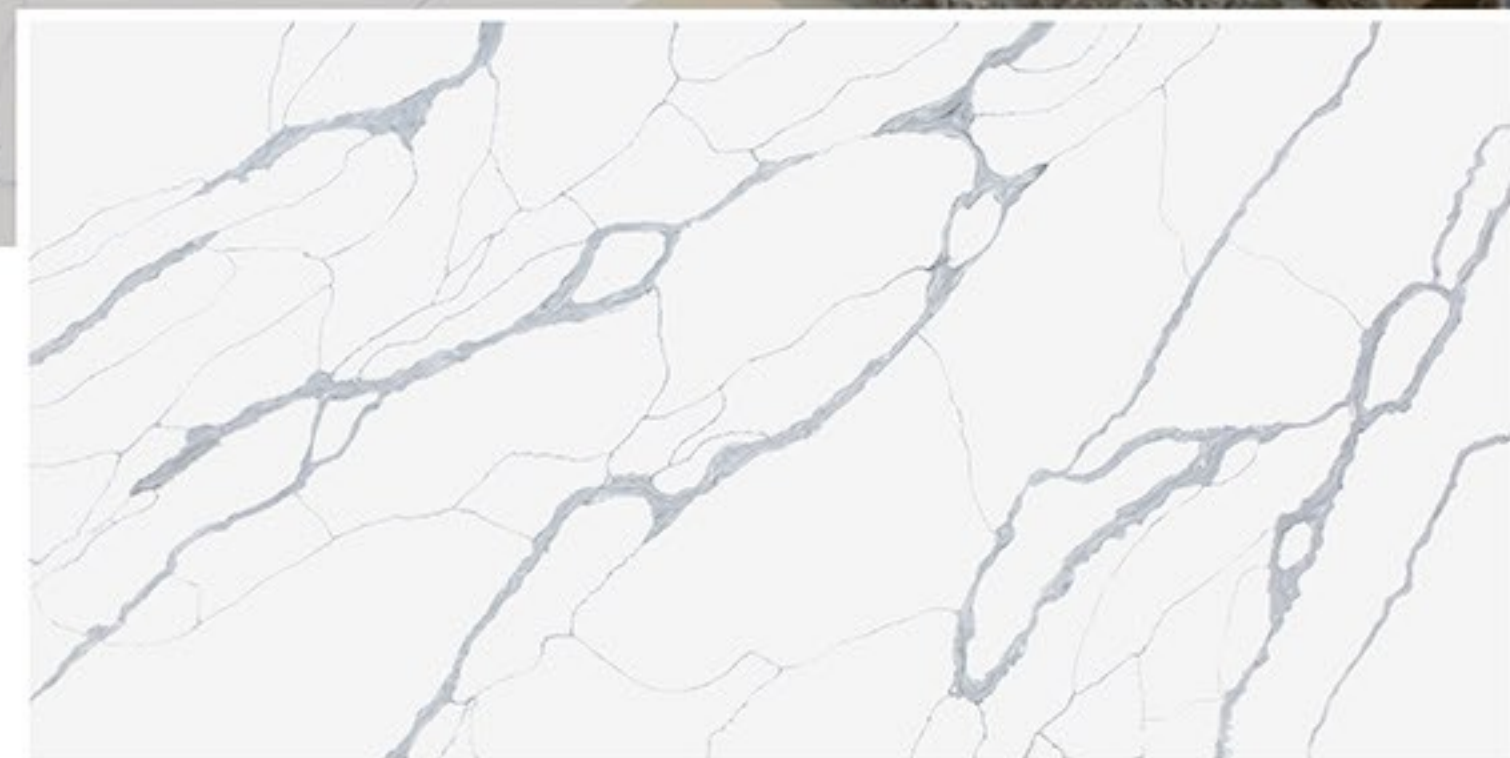

The group will continue to practice the development strategy of "based on domestic, expand to the global market", in line with the principle of "customer and reputation first", wholeheartedly provide customers with the most perfect and professional service, and make every effort to promote the steady and rapid development of the enterprise toward the vertical deepening direction of stone industry, and gradually create a more magnificent future!

Nishi group is willing to work with you to create a win-win stone industry mode!
